Abbeyfield House

Sheltered Housing in Hampstead

Welcome to Abbeyfield House

Located in the picturesque neighbourhood of Hampstead Garden Suburb, Abbeyfield House offers a secure, kind and caring environment for residents who wish to live an independent lifestyle, with support from a considerate, dedicated and thoughtful team.

Our beautiful, matured garden, which leads onto, Hampstead Heath Park, provides the perfect place to spend a quiet moment, catch up with family and friends, or read a book. We provide lunch and dinner, which is served in our communal lounge, a great place to come together and get to know the other residents.

We believe in enjoying later life, and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

At Abbeyfield House, we have a great range of facilities offering plenty of opportunities to pursue personal interests and to enjoy the company of family and friends both old and new, including people from the wider local community.

“I am very happy to be here in a comfortable house with a lovely garden and surroundings.”

Abbeyfield features

Originally a children’s home, this charming Edwardian property became an Abbeyfield house in 1977, comprising of 11 rooms, all of which have en-suite facilities and kitchenettes. Each of our rooms comes unfurnished, allowing you to bring your own furniture and personalise it to your own tastes to make it feel like home.

Abbeyfield House was renovated in 2012, but many of the original features can still be seen. It combines the elegance and sophistication of the past with the conveniences and contemporary commodities of today.

Your retirement

When you live with us, you are part of our community and the wider local community too.

Our professional staff team are supported by a number of committed volunteers. Some just want to spend time with you and pop in for a cup of tea and a chat, whereas others get involved in the day-to-day life of our house.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Abbeyfield House is registered and regulated by Homes England.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Abbeyfield House.

“These aspects of life at an Abbeyfield house sets us apart from other providers.”
