Independent Living with Care in Solihull

Welcome to Hampton House

Set in the heart of a bustling community, our Abbeyfield scheme caters for those who want to live later life in a modern, safe, secure and lively setting.

We offer a home from home experience and our staff are crucial to creating this homely, friendly and welcoming environment.

Hampton House offers a range of modern, well equipped and self-contained apartments in a vibrant, community-led development, alongside a choice of high-quality services, facilities, clubs and activities.

Additional Care Services

Should you require any support in your daily life whilst living at Hampton House, a tailored package of care and support can be provided for an agreed fee. We work closely with a domiciliary care provider, whose staff are available to provide whatever help you need, from meal preparation to personal care, shopping, or accompanying you on social outings.

Happiness starts with you

We believe in enjoying later life and an Abbeyfield house will always offer you the opportunity to get involved in activities and entertainment – which is a big part of life in our houses.

There's always something happening at Hampton House and we pride ourselves on our varied calendar of inclusive activities, clubs and events.

“I'm still part of my local community and have a whole new one at the same time.”

Your retirement

When you live at Abbeyfield you are part of our community and the wider local community too.

We are proud of our excellent staff team, who are supported by some committed volunteers. These are people who choose to share their time with you by popping in for a cup of tea and a chat, or being involved in the day-to-day life of our house.

We have established connections with people in our local community who offer varied conversation and a chance to compare different experiences. Variety is the key to any community and we're very proud to offer this at Hampton House.

Your home from home

Our one and two-bed apartments with outdoor space are well placed to support a vibrant community of like-minded people who value their independence.

Each apartment includes a private entrance, kitchen, lounge and dining room combined, bathroom with a level access shower, and double glazed windows.

You will have unlimited access to our communal facilities, which include a spacious and welcoming lounge, a large dining room looking out onto wonderfully landscaped gardens, as well as a laundry facility, buggy store, beauty room and hairdressing salon.

Two nutritious home-cooked meals are provided each day.
