Hill House

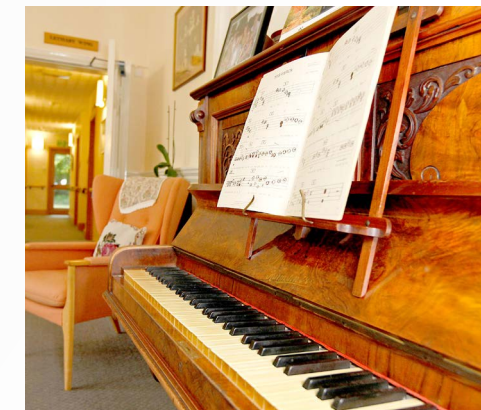

Residential and Dementia care in Honiton

Welcome to Hill House

Hill House is a beautiful Georgian-style country house once home to Lord and Lady Sidmouth. Set in the picturesque rural location of Blackdown Hills, with wonderful views of the beautiful Devon countryside, we provide care and accommodation for residents whilst offering a home from home experience.

We're proud to offer respite stays at Hill House, a short-stay that can be arranged in advance or, in the case of an emergency, last-minute. Suitable for individuals seeking support following post-operative or hospital care, or whilst their regular caregiver takes a break, respite care can also be used as a way of introducing long-term residential care to a loved one.

“Nothing is too much trouble at Hill House – everyone is always so nice to us and so helpful. The cooking is wonderful and the care is second to none.”

Your home, your way

We have 30 rooms, 12 on the ground floor and 18 on the first. If you choose to live with us, you will have your own comfortable room with an en-suite, shared lounges and dining areas for socialising, and our beautifully maintained garden to enjoy at your leisure. Completing our home is a hair salon available for residents' use when they feel like a bit of pampering.

Our kind, compassionate and highly-trained staff provide care and assistance 24 hours a day, and we also receive support from the local GP surgery and community nursing team. Delicious, daily home-cooked meals and everyday housekeeping are organised for you and all your household bills are included in the cost, leaving you free to enjoy your time.

Time well spent

We are blessed with a fantastic team of kind and compassionate staff and volunteers, all of whom are dedicated to making your life as enjoyable and worry-free as possible.

We believe in enjoying later life and so offer a range of stimulating activities, including reminiscence sessions, quizzes, games, birds of prey visits, seated exercise classes and craft and film afternoons, to name a few. We aim to create the environment, space and, most importantly, the time for you to feel contented and to enjoy life to its fullest, whatever your circumstances.

Your safety and quality assurance

You can't enjoy peace of mind without trust.

This is why Hill House is registered and regulated by the Care Quality Commission, the UK's independent regulatory body.

But our quality control doesn't end there – the opinions of our residents matter too. We have regular resident and family meetings, so we can get feedback on how we can improve our service at Hill House.

“Hill House isn't just a care home, it's a home that cares.”

The Abbeyfield Promise:

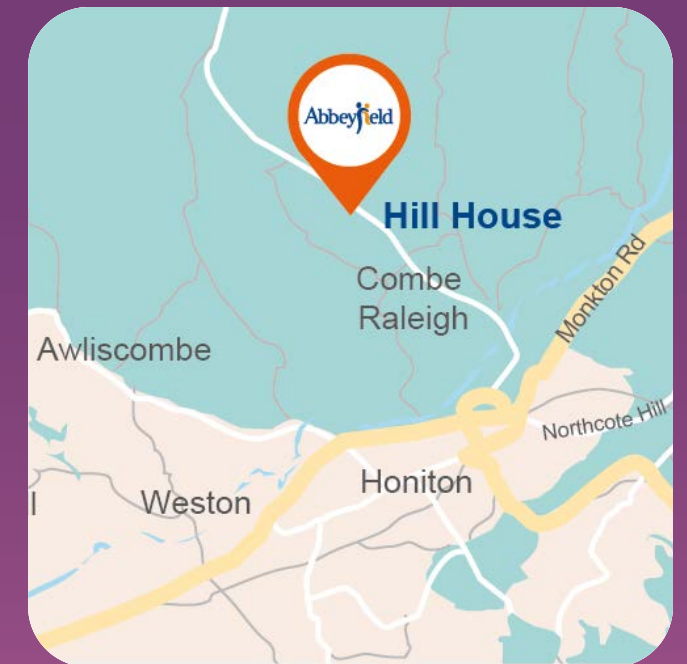

Time to enjoy life

Making time for you is at the heart of everything we do.

Our promise means that your time is well spent on the things that matter; lasting friendships, understanding your individual needs and making every day fulfilling - so that you feel valued, content, cared for and safe.

Your community

Abbeyfield Hill House's location is one of outstanding natural beauty. Although rural, it has excellent links to the traditional town of Honiton. Honiton has a strong supportive community and is fortunate enough to be surrounded by plenty of local farm shops and places to enjoy a cream tea. Abbeyfield Hill House is easily accessible by car or the use of local transport services at reduced cost. It is just a few minutes off the A30, with Honiton train station and Exeter Airport a short car journey away.
